Tickets

There are many, many ways to earn tickets during class. When you get a ticket, put your name or number on the back.

Every Friday, you must put in all your tickets (except for 5*) into a drawing. Two tickets will be drawn every week. Winners will choose a star out of the glowing box.

Prizes are written on the back of the stars. Stars may be kept or given to a friend. There are simple prizes to really awesome ones!

*Tickets may also have to be spent:

No name on your paper buy back: 2 tickets

Forgot something in locker: 2 tickets

Extra bathroom pass: 3 tickets

If you don't have any tickets, you may have to work off the debt!

A decorative border of stars surrounds the page, similar to the one at the top. It features various star styles and sizes, including solid black stars, white stars with black outlines, and stars with multiple outlines, arranged in curved paths.
